In this Month uncover the Roots of Trees, and cover with Dung the Roots of new-planted Trees, to prevent the Frost from injuring them. Cut all dead Branches off Fruit Trees. Plant Quicksets, and cleanse Trees from Moss. Sow Cresses, Mustard, Radish, Letuce and other small Herbs, in warm rich Soil.

Sow Hotspur Pease, put fresh Earth to your Sage, Thyme, and other sweet Herbs. Transplant young Fruit Trees, prune Vines; trench and soil Ground for the Spring.

Let not Blood, and use no Physick, unless there be a Necessity: Eat often, and avoid too much Sleep.

1	5	36	6	24	With the Farmer and Gardener this is the busiest Month in the whole Year; for now whatsoever you have a mind to plant or sow, the Earth is fit to receive. Hough your Carrots, Radishes, Onions, &c. set French-Beans, plant Asparagus, se- parate the Layers of Artichokes, and plant three of them in one Hole. Plant Garden Beans, Rouncival and other large Pease to succeed other Crops. Plant Slips of Sage, Rue, Rosemary, Lavender, &c. Sow all Sorts of Sallad Herbs, and Spinage in moist Places for the last time. Sow Turnips, and all Sorts of Cab- bage-Letuce, and transplant Cos and Silesia Letuces which were sown last Month. It is now a good Time to bleed and take Physick; abstain from much Wine, or other strong Liquors; they will cause a Ferment in your Blood, and ruin your Con- stitution.

If the Season prove mild, you may continue to prune Apple-Trees, be they Standards, Wall-Fruit, or Espaliers; but you should not prune them later, lest Rains and Frosts should hurt the Trees, when the Wounds are fresh.

Trench your Ground, by laying it up in Ridges to mellow. Set Crab-Tree Stocks to graft on; continue to plant Suckers and Cuttings of Gooseberries, Currants, and Raspberries; make Hot-Beds for Asparagus; fell Coppices, and lop Trees; plant Timber and Fruit-Trees, if the Weather be open.

The best Physick this Month is good Exercise, warm Clothes, and wholesome Diet: But if any Distemper afflict you, finish your Physick this Month, and so rest till *March*.
